

DILIMAN ARMAGEDDON

● BURST OF deep voices, staccato
of Armalites, cries of protest
— BARIKADA!

Rubber-shod feet break into a fast run
toward the academic sanctuary (?)
of the UP Arts and Sciences. Pillbox vs
Tear Gas, Molotov Cocktail vs. Ak-47
Up with the barricades!

And the red flag waves.
Clenched fists shoot up.

BARIKADA! Shouts that recur and
waken. Reenacted in a song-dance-drama
national democratic cultural presentation
of GINTONG SILAHIS

Top left, militant students sprint for
shelter inside the A&S building. Above,
a fatal bullet hits its target in the per-
son of Pastor Mesina. Below, the red
flag waves over the barricades. Right,
companions in the cause carry Mesina's
body.
